

# The Best of ICFE 2019 (Including Our Milk Stand!)

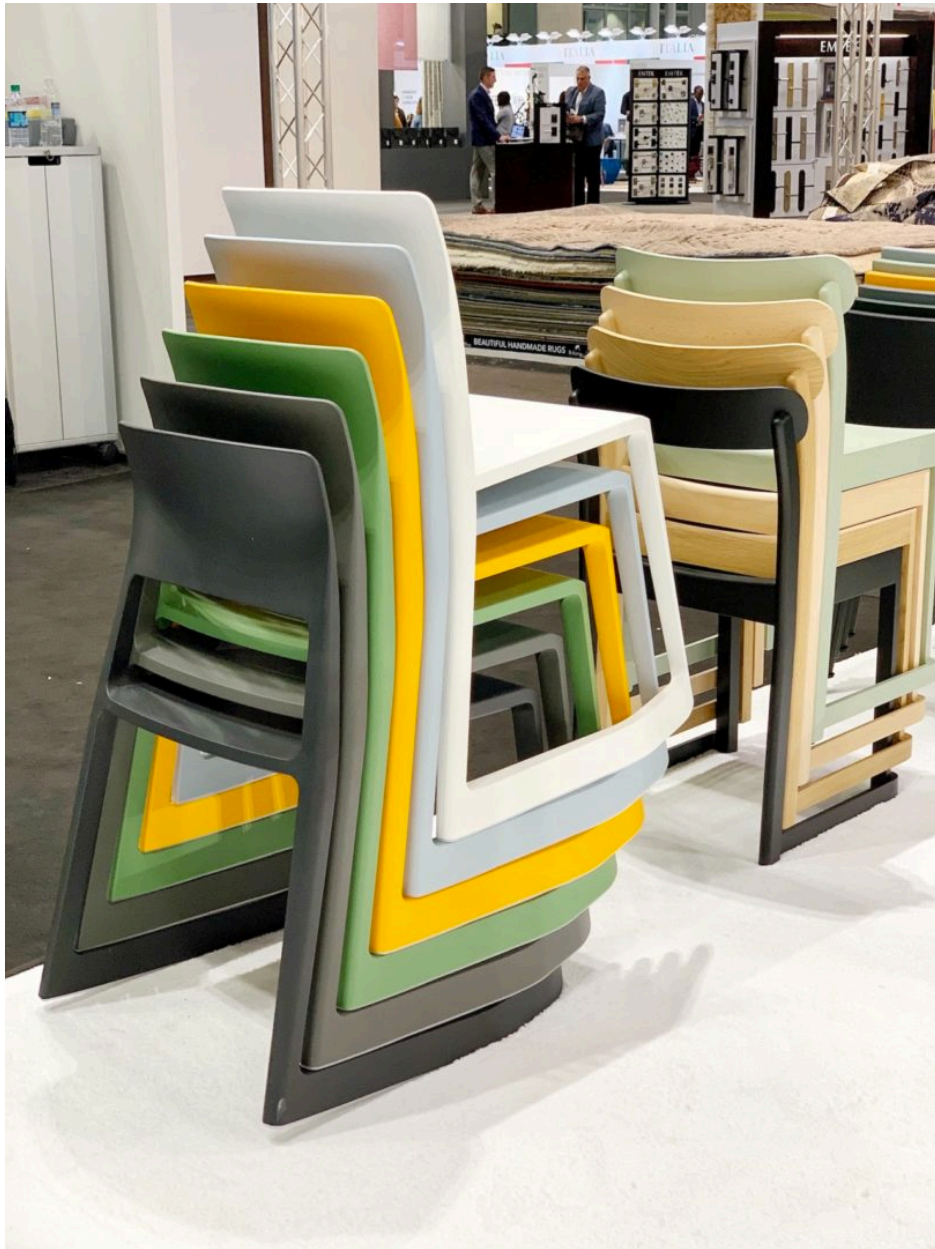

05.30.19 \\\ Posted by Vy Tran \\\

Another [#NYCxDESIGN](#) week has come and passed and we're still taking in all the cool new products and designs we saw at [ICFE 2019](#). After scouring each and every row, we've rounded up some of our favorite pieces from this massive show that we think you should know about.

And now, onto our favorite finds from the aisles of ICFE 2019! They include...

...the “On and On” chair designed by [Edward Barber & Jay Osgerby](#) for [Emeco](#).

...this stack of Tip Ton chairs designed by Edward Barber & Jay Osgerby for Vitra.
